

Ethics Review Process for Student Application

Is the project related to medical & health research?

Any student research project which uses facilities, personnel or data of the Brunei Darussalam Ministry of Health will need to submit an ethics application to IHSREC. (This includes having a Ministry of Health Staff as a co-supervisor.) The application will be reviewed by the joint committee of IHSREC and MHREC.

Staff submits application to IHSREC

IHSREC-MHREC reviews application and endorses final approval

IHS Assistant Registrar (Academic) issues letter of ethics approval to researcher(s)
